I need to change the date of my jury service

As you asked to do your jury service on a different date you told us

Please explain why you wish to change the date of your jury service

Dear Sir/Madam,

My name is Jessye Tu and I am a 6th form student in my last year of studying for A levels. I am writing to ask if I can defer my jury service until after my A-levels are finished. Undertaking jury service at this critical time would cause me to miss a substantial amount of lessons and greatly disrupt my education. I am taking 4 subjects at A-level, and I do not believe I would be able to cope with the stress of catching up with all my subject material outside of school, as there would not be much time until my exams start. I believe jury service is an important public duty, and I would only be able to do it to the best of my ability after my exams are finished. I would be in a much better position to perform my jury service after Saturday 6th July.

I would be very grateful if you could agree to this request. I would be more than willing to provide any other information you require.

Yours faithfully,

Miss Jessye Tu

Please give us three dates you could start jury service during the next 12 months.
